Coordinators- Engage the crowd and start networking. Swap contact info with people looking to get involved. Always ask if people are or know notaries willing to help with future events. (Please share notary info with the Operations Team as well so we have a running list of all Volunteer Notaries to help out other events if they're available.) Add people to your team if you'd like to continue organizing Signature Events.

Please post photos of your Signature Event to our FB Page or send them to the Telegram chat. We'd love to show off your hard work to the rest of Illinois!

IF you run out of Affidavits (hopefully you don't);
You can email them the PDFs directly or direct them to our website to print them and get them notarized.

How to get the word out & ask for volunteers;
Let the Operations Team know the details of your event and we will create a flyer for you and send you a separate "Notaries Needed" flyer as well if needed.

Use Facebook, Facebook Community Pages/Garage Sale sites., Telegram, Nextdoor App, Signal App, Instragram and/or Snapchat to post your flyers. Ask friends and family to share also for you!

A topographic map of a region, likely in Illinois, showing various terrain features. The map uses a color gradient from light yellow to dark brown to represent elevation. A prominent red line, possibly a road or a specific boundary, runs diagonally across the upper right portion of the map. Other lines in blue and green represent water bodies or lower elevations.

Nothing is set in stone! This is just a template to assist with a successful Signature Event. Tailor this as needed, just remember to stay neutral. There's no Left or Right, just Americans. No candidate specific attire to be worn. Please reach out to our FB page, Telegram page or your contact person if you need further help!

All Signature Events must be reported to the Operations Team with details so we can keep track. Thank you for your service to our State!
